

## DISABILITY PREVENTION STRATEGIES

One Day Composite Course » \$200

Learn how an effective Return to Work policy can be a win-win situation for all.

One of the greatest barriers for people with disabilities, when returning to work, is the process of reintegrating into the workplace.

Return to Work (RTW) best practices frame the foundation of the day-long course encouraging participants to use real life examples to put disability prevention into practice and learn the importance of a RTW policy.
